our OAHl Member Insurance team

## An opportunity for health insurance, even if you've been denied coverage in past

*The deadline on this offer has just been extended. But the insurer could pull it at any time. If this plan is of interest to you, please get in touch by June 26, 2019.*

**For a limited time only\*. No medical questions asked.  
Guaranteed acceptance.**

If you, a family member or friend has a serious chronic condition, past illness or high drug bills, you know insurance options are limited, *if* you can get coverage at all.

For a very short time, one of the insurance companies we work with has opened up a good plan for people who don't qualify for other insurance. Usually reserved for those leaving group benefits, the plan is temporarily open to all, no medical questions asked. But the window of time from the insurer is short.

***\*Contact us before June 26, 2019 for details and rates.***

**NOTE:** This plan is separate from your OAHl Member Health Plus™. If you're generally in good health and don't have ongoing high drug bills, Health Plus™ is a much better option.

*If you have any questions about any aspect of your insurance, don't hesitate to get in touch.*
