

OAHI EDUCATION CONFERENCE

20/20

Vision for Success

Hosted by the [Ontario Association of Home Inspectors](#), the OAH Education Conference, which will be held from [March 6-8, 2020](#) at the Holiday Inn Burlington Hotel & Conference Centre in Burlington, ON brings together home inspectors, industry related exhibitors and educators for a weekend of education, networking and mentorship. Home inspectors of all abilities from across Canada are welcome to attend the [2020 OAH Education Conference](#).

The conference theme is [20/20 Vision for Success](#).

We start with our offsite inspection on Friday, [March 6](#). The Exhibitors Reception, held Friday evening features a buffet dinner plus refreshments, entertainment and of course the first exposure to our exhibitors and their products and services. The [OAH-RHI Mentorship Café](#), set up in the Exhibitors' Hall throughout the weekend is your opportunity to connect with experienced home inspectors one-on-one.

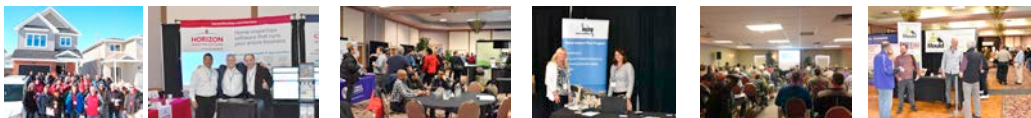

Some education sessions will be geared for those that are in their early years of business, there are some general sessions and there are some advanced sessions.

The Ontario Association of Home Inspectors ([OAH](#)) is the largest association of its kind in Canada and has been organizing successful, relevant education conferences throughout its existence. By doing so, [OAH](#) can provide a truly worthwhile professional development value for the home inspection community and ultimately consumers.

[OAH](#) has set and maintained the standard for home inspection conferences. It's hard to top the professional career development value that is available in three days. On the first day home inspectors of all levels participate in the offsite tour and inspection. Led by veteran home inspectors, this unique offsite experience concludes with a debrief and report writing refresher. The next two days are filled with a variety of educational sessions on current and ongoing topics relevant to home inspection. Overall, delegates can earn up to 21 Continuing Education Units (CEUs) in one three-day weekend while networking with their peers and colleagues; hard to believe, but true.

The OAH Education Conference is

Canada's Premier Home Inspection Conference™
