

OAHI EDUCATION CONFERENCE

20/20

Vision for Success

Hosted by the [Ontario Association of Home Inspectors](#), the OAHI Education Conference, which will be held from [Feb. 28, 29 and March 1, 2020](#) at the Holiday Inn Burlington Hotel & Conference Centre in Burlington, ON, brings together home inspectors, industry related exhibitors and educators for a weekend of education, networking and mentorship. Home inspectors of all abilities from across Canada are welcome to attend the [2020 OAHI Education Conference](#).

The conference theme is [20/20 Vision for Success](#).

We start with our offsite inspection on Friday, [Feb. 28](#). The Exhibitors Reception, held Friday evening features appetizers plus refreshments, entertainment and of course the first exposure for our exhibitors and their products and services. The popular OAHI-RHI Mentorship Café, set up in the Exhibitors' Hall is a great way to connect with experienced RHIs one-on-one.

We've streamed our education sessions. Some topics will be geared for those that are in their early years of business, there are some general sessions and there are some advanced sessions. Education sessions run on Saturday and Sunday.

The Ontario Association of Home Inspectors ([OAHI](#)) is the largest association of its kind in Canada and has been organizing successful, relevant education conferences throughout its existence providing a truly worthwhile professional development value for the home inspection community and ultimately consumers.

We've organized the three days so that it's hard to top the professional career development value for our delegates and product and services exposure for our sponsors and exhibitors. To that end we make our prices affordable, the education top notch and reach out to all home inspectors from student to RHI. From the Friday offsite tour and inspection, through the next two days of education and networking we will work with you to increase your visibility and maximize your involvement.
