## Vision for Success

### 2020 Delegate Pricing

Home inspectors from across Canada, of all abilities and from any home inspection association are welcome to attend Canada's Premier Home Inspection Conference™, the 2020 OAHI Education Conference.

Hosted by the [Ontario Association of Home Inspectors](#), the OAHI Education Conference, which will be held from [Feb. 28, Feb. 29 to March 1, 2020](#) at the Holiday Inn Burlington Hotel & Conference Centre in Burlington, ON brings together home inspectors, industry related exhibitors and educators for a weekend of education, networking and mentorship.

The conference theme is [20/20 Vision for Success](#).

We start with our offsite inspection on Friday, [Feb. 28, 2020](#). The Exhibitors Reception, held Friday evening features appetizers plus refreshments, entertainment and of course the first exposure for our exhibitors and their products and services. The popular OAHI-RHI Mentorship Café, set up in the Exhibitors' Hall is a great way to connect with experienced RHI one-on-one. Delegate pricing includes the OAHI AGM on Saturday Feb. 29, 2020.

Some education sessions will be geared for those that are in their early years of business, there are some general sessions and there are some advanced sessions.

The Ontario Association of Home Inspectors ([OAHI](#)) is the largest association of its kind in Canada and has been organizing successful, relevant education conferences throughout its existence providing a truly worthwhile professional development value for the home inspection community and ultimately consumers.

We've organized the three days so that it's hard to top the professional career development value for our delegates and product and services exposure for our sponsors. To that end we make our prices affordable, the education top notch and reach out to all home inspectors from student to RHI.
