Effective Feb. 5, 2020, Home Inspection Students who are not currently OAH I members and who register to attend the 2020 OAH I Education Conference will receive a Student membership in the OAH I for the remainder of the current membership year—free of charge. In addition: register for either Saturday or Sunday and get the other day free: We call it ROGO: Register for One, Get the Other for free. This offer does not apply to the offsite inspection program.

New students must register online and then contact the OAH I office at 416-256-0960 to receive the discount.

Hosted by the Ontario Association of Home Inspectors, the OAH I Education Conference, which will be held from Feb. 28, 29 and March 1, 2020 at the Holiday Inn Burlington Hotel & Conference Centre in Burlington, ON brings together home inspectors, industry related exhibitors and educators for a weekend of education, networking and mentorship.

Home inspectors of all abilities from across Canada are welcome to attend the 2020 OAH I Education Conference, members or not.

The industry is growing, and new inspectors are needed, so we want to encourage all home inspection students to come out and learn, network and enjoy the OAH I experience. The OAH I-RHI Mentorship Café™, set up in the Exhibitors' Hall, throughout the weekend is your opportunity to connect with experienced home inspectors one-on-one.

We believe you'll appreciate the value and will want to stay connected, so when you register for the conference and call the office, you'll receive the remainder of the current membership year free of charge.

This is a great way to start your journey to achieving the "RHI" (Registered Home Inspector) designation that only OAH I has the right to give to its members. "The RHI" proves that the member has achieved all that is required for the RHI designation, join the prestige.

The conference theme is 20/20 Vision for Success.

We start with our offsite inspection, tour, and debriefing on Friday Feb. 28 in the morning at 8 am (separate fee). That evening, the Exhibitors' Reception features a buffet dinner plus refreshments, entertainment and of course the first exposure to our exhibitors and their products and services. The next two days are filled with a variety of educational sessions (16 sessions in all) on current and ongoing topics relevant to home inspection.

Some topics will be geared for those that are in their early years of business, there are always general sessions and of course our specialized, advanced sessions.

The Ontario Association of Home Inspectors (OAH I) is the largest association of its kind in Canada and has been organizing successful, relevant education conferences throughout its existence.

By doing so, OAH I can provide a truly worthwhile professional development value for the whole home inspection community and ultimately consumers. OAH I has set and maintained the standard for home inspection conferences. It's hard to top the professional career development value that is available in three days.

Overall, delegates can earn up to 21 Continuing Education Units (CEUs) in one three-day weekend while networking with their peers and colleagues; hard to believe, but true.
