2023 OAHl Education Conference

Calling all exhibitors! The Ontario Association of Home Inspectors is very pleased to announce that the OAHl Education Conference returns in 2023. It will be held from Feb. 24-26, 2023 at the Courtyard by Marriott Oshawa in Oshawa, Ontario.

This is an excellent opportunity to introduce you and your products to new and established home inspectors, all hungry for information and products after a two-year layoff.

The conference brings together home inspectors, industry related exhibitors, and educators for a weekend of education, networking, and mentorship.

The conference theme is Educate:Elevate.

Since the last OAHl Education Conference in 2020, OAHl has welcomed many new members. The OAHl Education Conference attracts more than 200 delegates plus industry stakeholders, educators, vendors, and influencers. Promotion of the conference gets to hundreds of people starting months before it begins via email blasts, social media, and the website.

"A key reason our business continues to grow is our strong relationship with OAHl and OAHl home inspectors."

Richard Hughes, PEng, HlP Mould Professionals

We want video! You are encouraged to submit a 30-40 second video to help promote your booth on all of the OAHl platforms. Please shoot in landscape/horizontal mode.
