Ontario Association of Home Inspectors

Established by the Ontario Association of Home Inspectors Act, 1994

The Ontario Association of Home Inspectors (OAH)/the Canadian Association of Home and Property Inspectors-Ontario (CAHPI-ON) is holding its annual education conference in March 2 to 4, 2018 at the Four Points by Sheraton in London, Ontario.

OAH is the premier association for inspectors in Ontario. OAH is the only home inspector association recognized by the provincial government. Because one of OAH's keys is **education**, we thought this would be a good opportunity for you to participate and unlock the doors to some new business. We'll make sure your name/logo/brand is seen by home inspectors and that our delegates know you support them. At our 2017 conference we had 200 delegates, plus their spouses and exhibitors; this is an excellent B2B opportunity. Your logo and support are also seen online and in the email blasts, so your reach is extended beyond the conference.

All sponsors who register before Jan. 8, 2018 will get a year free "Friends of OAH" membership and listing on the website. There are several ways to get involved with the 2018 OAH / CAHPI-Ontario Education Conference:

- Become a Platinum, Gold or Silver sponsor
- Provide merchandise for the conference participant bags
- Provide products for prize draws
- Sponsor the Mentorship Café
- Sponsor the offsite tour and inspection
- Sponsor the dinner
- Be an exhibitor: home inspectors need reliable tools, marketing materials, business equipment and services.

You are welcome to contribute a promotional item to the delegate swag bags, a YouTube video about why you support the conference and a blog post. Let me know if you'd like additional exposure. We are developing a schedule of 20-minute special demonstration sessions where you can reach out to the delegates in an educational, hands-on manner. There is a nominal fee and sessions will be scheduled on a first come first served basis.

Any and all involvement with the 2018 OAH / CAHPI-Ontario Education Conference would be acknowledged in the program book and with hotlinks on the OAH website and social media. Let's talk. The Sponsorship Opportunities package and registration form are attached.

Regards,

Andrew Dixon, RHI

Chair

March 5 at 8:34pm

Thank You to the entire Conference Committee for a job well done!!! Had a great time reconnecting with friends, and enjoyed some great presentations 🙌👍

"I couldn't possibly have been more pleased with the exceptionally well planned/presented conference. The Mentorship Cafe was an excellent idea and attended well by many student inspectors. Bravo to the planners!!" From the post-conference survey.
